Epilog eView™ Camera Module

MADEINUSA

The image shows the Epilog eView camera module. It is a blue and white device that provides a top-down view of the laser cutting process. The camera is mounted on a white base. The image shows a colorful cartoon character being cut out of a material. The Epilog logo and 'eView' are visible on the device.

Website: will add in early March

- Social Media Blitz
- Direct Mailings
- Newsletter / E-Newsletter
- Add to Full Brochure in March
- CO2 and FiberMark Brochures will be combined.
