

The logo is a circular emblem with a dark gray, textured background. The outer edge of the circle is serrated, resembling a gear or a seal. The text "CO2" is prominently displayed in the center in a large, bold, black sans-serif font. Below it, the words "LASER SYSTEM" are written in a smaller, bold, black sans-serif font. Both text elements have a subtle white outline or drop shadow, making them stand out against the textured background.
